He is also a certified saddle fitter with EQUIScan GmbH

Come along and get your saddles measured and fitted, or your tack repaired.

Why not buy or sell a high quality saddle? Just bring it along and it might just fit another horse perfectly.

Used saddles are on sale on the day and will be fitted by Alan.

Alan is an authorised saddle fitter and service agent for such brands as Kieffer, John Whitaker, Berney Bros to name but a few.

He has just designed 3 new saddles for Kieffer. Read more...

After nearly 2 years collaboration between Saoirse Saddlery's Master Saddler Alan Ward and Keiffer GmbH Munchen, we are delighted to announce the official launch of 3 new saddles.

With the backing of an industry giant like Kieffer we have been able to bring you the very best in design and materials.

These saddle are aimed specifically at non warmblood animals.

Our intensive research and experience has shown quite a significant difference in the shape of the warmblood and non warmblood backs.

As we have been making saddles for the UK and Irish market for nearly 20 years, we have a unique view of the market.

With the wealth of information we can garner from the EQUIScan system this is a range of saddles that will fill the gap for clients who need a saddle with exacting pedigree, superb finish and ergonomic fit.

They are in stock in Ireland and the UK now.

Please contact Alan for details and stockists.
